## FASHION/Pitti Uomo 84 June 18-21

Fortezza da Basso and other places in Florence

Florence once again becomes the world's capital of fashion, with big names and big designs coming to the Fortezza. With previews of new collections, fashion shows, concerts and conferences, Florence is the place to see the best and latest in contemporary menswear during Pitti Uomo. Pitti W, the international preview of women's clothing, is also at the Fortezza for the first time this year. The list of attending guests reads like a Who's Who of the fashion world, but as most events (and all those at the Fortezza) are closed to the public, you may have to hang out at Florence's fashion hot spots to catch a glimpse of them. The off-site events include a pop-contemporary kaleidoscopic Italian Garden in piazza Strozzi, constructed using 2,500 colourful Palla Pitchers made by **Mario Luca Giusti** (June 17-July 7) and an exhibit entitled L'Incredibile Raccolto in piazza Santa Maria Novella (June 18-22), displaying linen creations and designs.
